Welcome Note

Dear Colleague,

Greetings from the Organizing Committee of FILD 2026!

On behalf of the organizing committee, it is our pleasure to invite you to the **8th Annual "Frontiers in Liver Disease" Meeting 'FILD 2026'**, themed on **"Decoding Liver Care Crisis to Cure"**, which is scheduled to be held on this 25-26 July 2026, at hotel Taj Yeshwantpur, Bengaluru.

FILD 2026 is aimed at navigating the evolving landscape of liver disease management—from early recognition of hepatic dysfunction to advanced therapeutic interventions and long-term outcomes. As the burden of liver disease continues to rise across metabolic, infectious, autoimmune, and alcohol-related etiologies, this meeting seeks to simplify complex clinical challenges through evidence-based insights and multidisciplinary perspectives.

Covering the full spectrum of liver care, this theme emphasizes timely diagnosis, critical decision-making in acute and chronic liver disease, management of complications, and emerging strategies in hepatology. From crisis recognition to curative pathways, **'Decoding Liver Care – Crisis to Cure'** offers a clinically relevant and scientifically grounded forum to translate knowledge into better patient care and improved outcomes.

We look forward to welcoming you to Bengaluru and to an insightful gathering at FILD 2026.

Best Regards,

Organizing Team

FRONTIERS IN LIVER DISEASE

2026

8th Annual "Frontiers in Liver Disease" Meeting

**DECODING LIVER CARE -
CRISIS TO CURE**

Organizing Team

Organizing Chairman

Dr Sonal Asthana

HPB & Liver Transplant Surgeon,
Integrated Liver Care, Aster Hospitals,
Bengaluru

Organizing Secretary

Dr Naveen Ganjoo

Hepatologist & Liver Transplant Physician,
Integrated Liver Care, Aster Hospitals,
Bengaluru

Organizing Committee

Dr H R S Girn

HPB & Liver Transplant Surgeon
Integrated Liver Care, Aster Hospitals,
Bengaluru

Dr Ravi Kiran

Hepatologist & Liver Transplant Physician
Integrated Liver Care, Aster Hospitals,
Bengaluru

Dr Rommel S

HPB & Liver Transplant Surgeons
Integrated Liver Care, Aster Hospitals,
Bengaluru

Dr Vachan S Hukkeri

HPB & Liver Transplant Surgeon
Integrated Liver Care, Aster Hospitals,
Bengaluru

Dr Ashritha Avalareddy

Pediatric Hepatologist & Liver Transplant
Physician, Integrated Liver Care,
Aster Hospitals, Bengaluru

Dr Akhil Deshmukh

Hepatologist & Liver Transplant Physician,
Integrated Liver Care, Aster Hospitals,
Bengaluru

Dr P Kumarswamy

HPB & Liver Transplant Surgeon,
CARE Hospitals, Hyderabad

Dr Anand Sagar Ragate

HPB & Liver Transplant Surgeon,
CARE Hospitals, Hyderabad

FRONTIERS IN LIVER DISEASE

2026

8th Annual "Frontiers in Liver Disease" Meeting

**DECODING LIVER CARE -
CRISIS TO CURE**

Program Highlights

SURGERY

Benign Liver lesions – Watchful expectancy when?	Non-surgical management of Liver lesions	Liver trauma – When to intervene
HCC management algorithm	LT for HCC – Expanding indications for transplant	HCC – Non surgical management
Who can be a Liver Donor?	Donor safety protocol	Laparoscopic donor hepatectomy
Liver resection in cirrhotics	Major Liver resections	Non hepatic surgeries in cirrhotics
Managing biliary complications post LT	Managing vascular complications post LT	Retransplant

HEPATOLOGY

Foundations in Hepatology:

- Liver physiology and mechanisms of liver injury
- Is cirrhosis reversible ?
- Portal hypertension management

Viral Hepatology:

- Acute/chronic viral hepatitis, advances in management
- Viral diseases in cirrhotics- how to prevent and treat
- Forgotten virus- HCV and HEV- Do we still worry

Metabolic Liver Disease:

- MASLD/MASH Risk factors, management and future directions
- MASH - Non invasive diagnosis
- MASLD/MASH in the era of GLP-1/GIP

Advanced Cirrhosis and Critical Care:

- Acute on chronic liver failure - Definition and management
- Managing complications in cirrhosis, when to refer for transplant
- Sarcopenia in cirrhosis - Implications, management and complications
- Renal replacement therapy in CLD - Early v/s late and modalities

Interventional and Onco-Hepatology:

- Portal hypertension- Therapies and medical management, implications
- Endoscopic therapies for portal hypertension
- HCC - Changing spectrum of management: Locoregional and systemic therapies

Preventive and Transplant Hepatology:

- Preventive hepatology - Diet and exercise in liver disease,
- Vaccination in cirrhotics
- Cholestatic liver diseases
- Acute on chronic liver failure - When to refer

Registration

REGISTRATION FEES (BOTH RESIDENTIAL & NON RESIDENTIAL)

PG STUDENTS & RESIDENTS	DELEGATES
Complimentary	INR 10,000/- (Inclusive of taxes)

ACCOMODATION CHARGES

CATEGORIES	SINGLE OCCUPANCY ROOM (PER NIGHT)	TWIN SHARE ROOM (PER NIGHT)
PG Students/ Residents	INR 8,000 + 18% GST	INR 5,000 + 18% GST
Delegate	INR 10,000 + 18% GST	N/A

- Accompanying Person Charges: INR 10,000 (Including conference buffet meals).

PAYMENT (UPI/NEFT/DD/RTGS) to be made in below Bank Account:

BANK NAME	HDFC BANK
ACCOUNT HOLDER NAME	MYPROVIDEY
ACCOUNT NO.	99909910181468
BRANCH	C-72, SHIVALIK, NEW DELHI, 110017
IFSC CODE	HDFC0004026

*Registration is Mandatory
